DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The two story, three bay, asbestos covered residence has a centre gable and finial for each gable. The flat-roofed, open porch is supported by posts and has projecting eaves and an otherwise plain, boxed cornice.

The main entrance has a recessed blind transom and double leaf, two panel door with moulded trim around the entire entry. The main window is a double hung, 6/9 with slipsill. The window to the left is a smaller, double hung, plain trim, 1/1 type. The central second story window is a double hung, two sash with mullion, 1/1 construction with a bellcast hood. Flanking this are two, double hung, 6/6 windows.

## STATEMENT OF SIGNIFICANCE

This residence dates early in the history of Waverly and its simple design is representative of the Victorian cottage style common to the area. The bellcast hood, entry with transom, large first story window and use of finials indicate its associations with Victorian design without the intricacy of detail and form that often followed this time period. The home is located with the oldest complete block of homes in the Waverly area.
